## TECHNICAL DATASHEET

## ZEUS 12VDC 16.7A 200W SLIM PS

04-07-2020

## VT/ZEUS/200W/16.7A/12VDC/IP20/SLIM POWER SUPPLY

NOTES

| General Informations |                  |
|----------------------|------------------|
| Stock Code           | 6240460          |
| HSC/GTIP Code        | 8504.40.82.90.00 |

## Electrical Characteristics

| Current Type                | AC           |
|-----------------------------|--------------|
| Operation Voltage           | 185-265 Volt |
| Operation Frequency         | 50/60 Hertz  |
| Power                       | Max 200 Watt |
| Electrical Protection Class | Class I      |

| Mechanical          | Parameters  |
|---------------------|-------------|
| IP Protection Class | IP20        |
| Switch On/Off Cycle | 30000       |
| Lifetime            | 50000 hours |

**NO IMAGE** 

**AVAILABLE** 

| Switch On/Off Cycle      | 30000                             |
|--------------------------|-----------------------------------|
| Lifetime                 | 50000 hours                       |
| Body Material            | Metal Sheet                       |
| Body Colour              | Black                             |
| Ambient Temperature (Ta) | -20°C <ta<50°c< td=""></ta<50°c<> |

IMPORTANT NOTES: VITO reserves the right to change/remove models or specifications partially/completely without any notice. Information, models and photographs of the products in this technical datasheet can not be used, reproduced or republished without permission. However, some parts can be quoted by giving reference and/or chapter number belonging to technical datasheet. Most of the items in the datasheet have been designed by our company within indicated technical specifications inside. Our componsible for errors caused by wrong installation and operating against rules according to qualifications specified in the product details. Photographs printed in this datasheet may not reflect the actual color of the product depending on printing conditions. In the same context, typographical errors may possible be found in the texts.
